

Get the big picture behind some of the scenes in the film from these panoramas by Justin Powers.

The first two images show filming outside of Lafferre Hall, the main engineering building at Mizzou. The top floor is where the Mummy's tomb was constructed for "Mil Mascaras vs. the Aztec Mummy" and where many sets for AoD were constructed.

This scene involves a security guard (played by Marty Walker) on patrol outside the Lucharama venue. A short time later he discovers a mini-assassin who fells him with a deadly blowgun.

The following images show construction of sets for the interior of Luctor's mansion, the restaurant, and other interiors.
